Hi ATIPB,

I think you should consult with Commissioner's tasking in order to get a more accurate list. I've looked through CAP's tasking system and have found the following items:

Briefing Note to the Minister of Public Safety and Emergency Preparedness: new complained filed with the Canadian International Tribunal (CITT) regarding the RCMP re-procurement of night vision binoculars, March 14, 2017
Scenario Note: Deputy Minister Meeting on the National Inquiry into Murdered and Missing Indigenous Women and Girls, March 29, 2017
Information on Naloxone for Commissioner's Appearance before the House of Commons Standing Committee on Public Safety and National Security on April 3, 2017
Suggested Talking points: Meeting with the Centre for Israel and Jewish Affairs, April 5, 2017
Memorandum for the Minister: Meeting with the Centre for Israel and Jewish Affairs, April 5, 2017

thanks,

Victorhea
